

**SAVE THE DATE FOR THE SPRING
IDAHO INTERFAITH ROUNDTABLE AGAINST HUNGER GATHERING**

**Thursday, May 10, 2018
BSU Student Union**

The focus will be on the role of transportation in the food systems and its impact on food security in Idaho.

As we prepare for this presentation, we have an opportunity to impact the future of the bus system in the Treasure Valley. Valley Regional Transit has currently released the final draft of the ValleyConnect 2.0 plan. The plan provides a blueprint for design principles and performance measures for future transit development in Ada and Canyon counties. VRT is currently in the community comment phase of the plan. What a great opportunity this would be to make a personal impact on our bus system. Please take a few minutes to fill out the Valley Regional Transit [survey](#).
